

BeyondVoice™

URGENT!!

As a small business owner, I don't have time for lunch. Much less managing multiple providers. Isn't there anyone who can make getting the best communications service simple?

Cbeyond.

The last

communications

company your

small business

will ever need.™

Cbeyond® BeyondVoice™ packages deliver all of your small business communications needs — high-speed T-1 Internet access, local and long distance phone service, mobile service, email, Web hosting, security and more — through one provider and one bill.

1. Choose the package that best fits your needs and budget

Every small business is unique. So why settle for service that's "one-size-fits-all"? With Cbeyond, you have the freedom to choose the service options that are right for you.

- Select from three BeyondVoice packages
- Enjoy both high-speed uploads and downloads with premium T-1 access
- Rest assured knowing your service is backed by Cbeyond expertise and support

2. Take your service to the next level with powerful upgrades

With BeyondVoice, you have the flexibility to take your service to the next level — with powerful upgrades to our basic packages. Upgrades can be made to services, including:

- BeyondMobile™
- Managed Firewall
- Enhanced Web Hosting
- VPN Remote User
- Secure Backup & Fileshare
- Email with SpamBlocker and Virus Protection
- Integrated Voicemail (with BeyondMobile upgrade)
- Conference Calling
- Unified Messaging
- Voicemail
- Auto Attendant
- Fax to Email
- And more

3. Enhance your business with other innovative services

BeyondVoice is just one of many tools Cbeyond offers to improve the performance and productivity of your small business. As a valued customer, you'll have the option to add services including:

- **BeyondMobile:** Cell phone and BlackBerry® devices that integrate with your BeyondVoice services. Increase your productivity with features like email on the go, integrated voicemail, calendaring and contacts — all while sharing minutes across your employees.
- **BeyondOffice™:** Delivers full T-1 Internet access and phone services — plus a range of valuable tools like email, voicemail and a toll-free number, directly to the home of the CEO or owner.
- **Secure VPN On-Net and Off-Net:** Connects multiple sites that are served by Cbeyond for easy filesharing and communication. If your business has a location that isn't served by Cbeyond, you can still stay connected with VPN Off-Net.

4. Enjoy award-winning support from day one

Most companies that choose Cbeyond, stay with Cbeyond. And we take great pride in delivering the support that keeps people satisfied. As a result, Cbeyond enjoys a 99% customer retention rate and is one of the nation's fastest-growing providers of broadband services.

- Enjoy hassle-free installation within weeks, not months, of your order.
- Easily manage every aspect of your account with CbeyondOnline™ — from changing service features to viewing billing statements.
- Market your business and get exclusive savings for the stuff you need through our Insider Program. Visit www.cbeyond.net/insider for more information.
